A BODY HAST THOU PREPARED ME 3

BEHOLD, THOU DESIREST TRUTH
IN THE INWARD PARTS: AND
IN THE HIDDEN PART THOU SHALT
MAKE ME TO KNOW WISDOM

P S A L M 5 1 : 6

Pictogram 5: Chromosomes.

As we began the topic “A Body Hast Thou Prepared Me” two chapters ago, we spoke of the human body as the enlargement of the true temple of God. Solomon’s temple was grand standing, but the body of Jesus was greater yet for the in dwelling place of the Father.

Before modern science told us that the human body has 46 chromosomes, God already did. In the porch of Solomon’s temple were two great pillars of brass, named Jachin and Boaz (1 Kings 7:21). These standing pillars were measured out by God:

For he cast two pillars of brass, of eighteen cubits high apiece... And he made two chapiters of molten brass, to set upon the tops of the pillars: the height

of the one chapter was five cubits, and the height of the other chapter was five cubits (1 Kings 7:15,16)

Each pillar, with its cap, was a total of twenty-three cubits. They stood side by side equaling together, forty-six cubits. This has the same appearance of the DNA ladders and is an exact representation of the forty-six chromosomes of the human being. In the case of DNA, like the pillar cubits, there are twenty-three chromosomes on one side contributed by the mother, and twenty-three chromosomes on the other side contributed by the father. In the last chapter we talked about the scrolled nature of the DNA double helix which makes up the chromosomes. We want to add quickly that in Solomon's temple was a spiraled stair case leading to upper levels of the temple, "...and they went up with winding stairs into the middle chamber, and out of the middle into the third (1 Kings 6:8)." This was a great testimony in front and inside of Solomon's sanctuary telling that God would be coming in a human body.

When God did come in Christ, He was already done with Solomon's temple. That which represented the human chromosomes was now replaced with actual human chromosomes. Based on this, He was mixing communicating and speaking over their heads when He engaged the Jews:

Jesus answered and said unto them, Destroy this temple, and in three days I will raise it up. Then said the Jews, Forty and six years was this temple in building, and wilt thou rear it up in three days? But he spake of the temple of his body (John 2:19-21)

The temple took forty-six years to build. This is a second testimony to the issue of the Bible containing the pictogram of the chromosomes of the human body.

It is very important to see that the human body is the temple of God if you are born again. Two times we are told this in simple black and white letters by the Apostle Paul in the book of 1 Corinthians:

Know ye not that ye are the temple of God, and that the Spirit of God dwelleth in you? (1 Cor. 3:16)

And again...

What? Know ye not that your body is the temple of the Holy Ghost which is in you, which ye have of God, and ye are not your own? (1 Cor. 6:19)

Why did God wait until the book of 1 Corinthians to speak so plainly? These two verses together make a third testimony to the chromosomal representation in the finished Bible, as the book of 1 Corinthians is the forty-sixth book in the chronological order of the canon of the Bible. This too was intentional by God.

Along this line of revelation, there is only one detailed account in the Bible of the birth of Jesus, the Word made flesh. It is well accounted in Luke chapter two, which is the forty-sixth chapter of the New Testament:

And she brought forth her firstborn son, and wrapped him in swaddling clothes, and laid him in a manger; because there was no room for them in the inn (Chapter 46 of the NT, Luke 2:7)

And...

For unto you is born this day in the city of David a Saviour, which is Christ the Lord (Chapter 46 of the NT, Luke 2:11)

Not only does the Spirit give us this double testimony, but in the forty-sixth verse of the forty-sixth chapter of the New Testament, we read this:

And it came to pass, that after three days they found him in the temple, sitting in the midst of the doctors, both hearing them and asking them questions (Chapter 46 of the NT, Luke 2:46)

The Spirit gives us an incredible double entendre: Literally speaking, this verse tells us that Jesus was found in the temple of Solomon. However, also literally speaking on a deeper layer, Jesus was found in the temple of the body. This latter appraisal gives a loaded meaning to, "*they found him in the temple (Verse 46).*" Most interestingly, the Spirit uses the word "*doctors.*" This is absolutely referring to Doctor of the law. However again, spiritually speaking, the Spirit

chose a word that lends to the impression of medical doctors examining God in a body. This is a prime example of the oft occurring prophetic and dimensional interpretation that we prefer not to realize.

Going back in order, God loaded the Bible with chromosomes from the beginning. Because Eve was genetically taken out of man, in Genesis 2:23,24 Adam was allotted forty-six words to describe his chromosomal match:

This is now bone of my bones, and flesh of my flesh: she shall be called woman, because she was taken out of man. Therefore shall a man leave his father and his mother, and shall cleave unto his wife: and they shall be one flesh

You will only find this in the King James Bible because it alone is the matured, finished Bible carrying the inspiration of God.

You should also know that Satan goes straight to the chromosomes to alter life. When he took down Adam and Eve in Genesis 3:1,4,5 he stung their chromosomes with the infusion of sin. Therefore, he too was allotted only forty-six words as well:

Yea, hath God said, Ye shall not eat of every tree of the garden?

Ye shall not surely die: For God doth know that in the day ye eat thereof, then your eyes shall be opened, and ye shall be as gods, knowing good and evil

You should also know that Satan is going after the chromosomes of the word of God, the King James Bible, to alter life again.

Certainly, this issue is wrapped up in the number forty-six. Only the finished Bible could manifest such detail. If your Bible does not have these details, it is a genetically modified organism.

You may appreciate the Bible for its outward revelation, praise God! But God is not satisfied with a surface level Bible. He desires the truth of His testimony to run deep in the inward parts of the Bible. He wants not only an outer perfection of doctrine but truth in the hidden part of the Bible as well. He is making this wisdom known to you in this book.
